PRESIDENT'S CORNER

I am happy to introduce Maureen Grillo as our new Executive Director.

Maureen is a Management and Sales Leader with demonstrated success creating high-growth within organizations. She has an exemplary record of top performance and achievement of aggressive goals. Maureen has demonstrated proficiency in all areas of executive administration, reporting, management, communication, sales and leadership.

Most recently she served as the President of the Rhode Island chapter of Associated Builders and Contractors. Under Maureen's leadership the chapter increased annual revenue by 12% by increasing member participation in Excellence in Construction, Safety Training & Evaluation Process and events. The chapter was nationally recognized for member retention.

Maureen is committed to relentlessly serve you the members of CCAA and our mission to promote a safe environment for the hoisting and lifting industry by improving the crane inspection and certification profession.

Maureen's focus areas for us will include member communication, engagement, recruitment, retention and event planning. Please feel free to contact Maureen directly at any time by phone 978-502-5798 or by email ExecDirector@CraneCertification.org

I am also excited to announce our Keynote Speaker for the November Conference. She is Gail Lowney Alofsin

Keynote Speaker Gail Lowney Alofsin

Author, Humanitarian and University Professor. Gail has worked in business development for over three decades. As an Adjunct Professor at University of Rhode Island and Salve Regina she has taught in the Journalism, Public Relations, Business, Communications and Marketing Departments.

Gail lives in Newport, Rhode Island. When not working, she enjoys traveling, time with family and friends and outdoor activities – especially by the ocean.

One of many testimonials about Gail:

"This has been the best 2 hours of work our company has ever had. Engaging, positive, fun and enlightening. Gail you have provided a positive thinking environment that my company and I will push forward. You must be the long lost sisten of the Life is Good founders!! You are truly a half full glass. Thank you so much for this amazing morning"

Helly Hansen and Life is Good Stores

Stafford Crane Group will be presenting at the conference.

A former commercial helicopter test pilot and a native of Wexford County, Ireland, Patrick immigrated to the United States and, along with Heather Stafford, founded Stafford Crane Group in 2004. Patrick remains active in it's management, focusing on customer relations, strategy and R&D.

The Stafford Group is designing and building a full line of tower cranes. American owned, built in Portugal, and Assembled in the USA
